

# Workshops 2010

The Privacy Commissioner holds workshops on the Privacy Act in Auckland, Wellington and Christchurch. Participants receive training in the Privacy Act and related legislation along with comprehensive documentation to take back to their workplaces.

## An Introduction to the Privacy Act

This workshop provides participants with an overview of the Act for those who are not familiar with it.

It is particularly suitable for new Privacy Officers and others wishing to develop their understanding of the Privacy Act.

Topics covered include:

- Key concepts and definitions
- Understanding the information privacy principles
- Applying the information privacy principles
- Interface with the Official Information Act
- The complaints process
- Sound work practices

**Time: 9.00 am - 12.30 pm**

**Fee: \$170 (includes GST)**

## The Health Information Privacy Code including Mental Health

This workshop provides participants with an overview of the Health Information Privacy Code and is suited to people employed in the health sector or interfacing with the health sector.

This session also incorporates examples and issues particular to the mental health sector.

On request the workshop may be extended to discuss privacy and the mental health area specifically.

Topics covered include:

- Key concepts and definitions
- Applying the health information privacy rules
- Practical compliance with the Code and relevant legislation
- Disclosing health information
- Dealing with access and correction requests
- The Health Act and children's rights
- Interface with the Official Information Act
- Security of information

**Time: 9.00 am - 1.00 pm**

**Fee: \$195 (includes GST)**
