

IPP3A Decision flowchart

Can you rely on one of the exceptions in IPP2 to collect this information from someone other than the individual concerned?

YES

Has the individual already been told everything in the notification requirements?

NO

You need to consider your IPP2 obligations before continuing.

Does an exception apply that removes the need for notification?

You need to tell the person everything in the notification requirements as soon as reasonably practical, to meet your IPP3A obligations.

You have met your IPP3A obligations. Make sure you have recorded your decision to rely on any exceptions. Nothing more required.
